

The Governor's School for the Arts Alumni Juried Art Exhibit 2018

We are hosting our second alumni art exhibit this March 2018. As GSA enters our 30th year, we know there are many alumni out there creating art! All GSA Alumni are welcome to participate regardless of the department you were in when you were a student here. Feel free to submit up to 3 works, but know that a panel will make selections based on space availability.

We now have our own gallery! It's called ORIGIN and it is at the MacArthur Center on the 2nd level.
